

## Hyginix Eco - Toilet bowl cleaner

**TBC  
ECO**

### Description:

Ready-to-use, heavy-duty toilet bowl and urinal cleaner for the removal of lime scale, stains and other residue.

### Key properties:

- Thickened hydrochloric acid-based formulation.
- Highly effective, fast acting.
- Ideal viscosity for excellent adhesion.
- Light, delicate but hence fresh fragrance.
- Fast and thorough removal of limescale, stains and other residue.
- Extended contact time on vertical/sloped surfaces for optimum cleaning efficiency.
- Suitable for use on porcelain and glazed sanitary installations.
- Angled-neck squeezable bottle for fast and easy application.
- Neutralizes malodors molecules and therefore enhances the perfume effect.
- Color and alphanumeric codes to prevent application.

### Use instructions Dosage:

Ready to use, no dilution required.

### Application:

- Flush the toilet/urinal and apply the product under the rim, around the bowl, onto water/flush paths and water outlets
- Allow the product to act for 5 minutes
- Scrub with a brush and flush to rinse.

### Technical data

Appearance	:	Clear Blue Liquid
pH value (neat)	:	< 2 pH value (in use)
Relative density	:	(20°C): ≈ 1.04

### Product compatibility:

Do not use on acid-sensitive surfaces, e.g. enamel, marble, grouting. Immediately removes any drops or splashes from acid-sensitive surfaces and rinse with water. Do not mix with bleach or other cleaning products. Test material compatibility in a small, inconspicuous place before use.

***The above data is typical of normal production and should not be taken as a specification.***

## Hyginix Eco - Soft Hand Wash - PINK
